## Summary

Diogo Pessoa de Andrade is an independent director and filmmaker, multimedia consultant and instructor, based in Lisbon, Portugal. Diogo works in the audiovisual industry since 2002, producing fiction, documentaries, news, commercials, corporate videos, music videos and live events.

Diogo has been a member of the Border Crossing Media collective since 2006, fulfilling the roles of audiovisual and multimedia consultant whilst continuing to work as a freelance filmmaker and cameraman to production houses and news agencies.

He is a certified film & multimedia instructor and he provides high quality training and consultancy services to individuals, schools, organizations and enterprises of all sizes within the private and public sector, since 2006.

Diogo is an unique talented, creative and self motivated individual. His ability to ally creative strengths with the diverse skillsets of colleagues is a proven asset. Enabling him to take a project from brief to final execution within deadline driven environments, whilst maintaining an original and highly creative standard.

Diogo has excellent technical skills (including good web design / programming knowledge) as well as creative talent, a commitment to acquiring new skills and the flexibility to be effective within a number of contexts, which make him an invaluable contributor to any team.

Specialties: filmmaking, cinematography, camera, editing, color correction & grading, motion graphics, DVD & blu-ray authoring and closed caption knowledge, multimedia production. Training & consultancy services.
