### PROFILE

I am a young man, just graduated in Documentary film and video degree, and like all the younger men, I want to change the world. So I have the strength and the motivation of embark on a winning design. I have the ability to learn with the older ones, and never quit.

Since I was a child, I've been in plenty activities, but the ones that I loved most where that ones, which we had to work as team. I've been in 3 students associations, and in the biggest association of young people of the world, the Scouts. So work as a team it's a part of me. I consider myself a world citizen, and because of that, I love to know and understand other people and other cultures.
