

HELENA BATISTA

Makeup Artist

Portugal

Inspired and curious since childhood with the work of master Dick Smith, and others make-up artists had the good fortune to study make-up and Special Effects Makeup in Portuguese Film Institute in 1987 and find out much new that this was the profession he wanted to pursue. Since then never stopped working in film, television, advertising, photography, theater, among other areas.

Worked for 7 years with Loreal Portugal with the Helena Rubinstein brand.

Like to try new techniques and learn more and more with the reference masters.

It is certified trainer and teaches at universities and art schools in Portugal.

Now is the Kryolan brand in Portugal where it has a makeup store.

At present holds the position the consultative council of the Portuguese Film Academy.
